

***The superior
security wrap that
stretches further
for your money...***

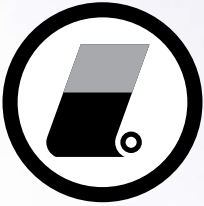

BlackShield
Superior Security Wrap

You can't compromise
on security.

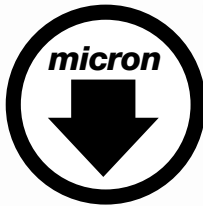

McKinleys[®] | on-demand
packaging

**A unique dense
black impregnation
means improved opacity
and less waste.**

Buy less!

Maybe you're using a lot of extra wrap at present – doubling-up to make sure there's no see-through. BlackShield's superior opacity and black density means now you can safely use less to do the same job – saving you money!

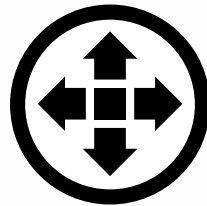

Wrap thinner

Blackshield's superior opacity, strength and tear-resistance allows you to use a thinner micron weight than you do – trimming even more off what you're

**Probably
the toughest,
thinnest,
most opaque
security wrap.**

**Don't
compromise
on security!**

**Don't waste
money.**
