assured

# McKinleys<sup>®</sup>

Innovating to provide high performance sustainable products, whilst never compromising on quality.

eco  
products

# SpeedMan Basic

Compact and intuitive entry-level machine, with lightning-fast speed. Quickly fill boxes with unparalleled product protection.

# PaperJet Fit

The most compact paper padding system on the market. This machine produces narrow, extra-strong embossed padding - ideal for smaller packages.

# PaperJet

The fastest paper padding system on the market, dispensing up to 200 cushions per minute.

# SpeedMan Classic

Flexible void filling manual paper dispenser, with no power connection required.

# Grip Taper

The world's most versatile water-activated tape dispenser enables the use of biodegradable reinforced paper tape anywhere.

## BP555e

Prevent tampering and increase productivity with this steel-framed, ABS-cased, high-capacity electronic tape dispenser.

## E-Tape

High-performance, premium grade self-adhesive paper tape, with longer roll length thanks to its reduced core.

## E-Tape Dispenser

Offers an ergonomically well-balanced design, reducing repetitive strain injury, a retractable safety blade and a silent operation.

# Grip Applicator

Revolutionise your pallet wrapping game with the Grip Applicator! Say goodbye to health and safety risks, operator fatigue, and slow, inconsistent wrapping.

## Robot Master Plus

Mobile pallet wrapping machine which propels around a static pallet giving a flexible machine wrapping solution.

## Ecoflat Plus

The most cost effective wrapping machine in our range. It will wrap your product faster, with less film.

## Ecowrap Plus XL

Semi-automatic rotating arm stretch wrapping machine for unstable and heavy products.

# Delta Mailers

100% recyclable corrugated book mailers with variable height capacity.

# Kraft Mailing Bags

Heavy duty kraft ensures a robust and water-resistant, eco-friendly mailing solution.

# Hexrap

Quick and easy, excellent paper alternative to bubble wrap, offering better protective qualities.

# Paper Bubble Wrap

Excellent padding made with 100% paper - for those who want to avoid using plastic bubble wrap.

# We care.

Our commitment to sourcing certified eco-friendly products ensures that we provide the best unboxing experience to the end consumer.
