

## Delta EcoBox

Sturdy, eco-friendly business card boxes with optional top window. Packed flat, taking 75% less space than plastic boxes.

## Delta Tube

Durable and strong, these tubes are made from sustainable materials and are designed to prevent paperwork from becoming creased or damaged.

## Delta Sqube

With its heavy duty board, the Delta Sqube remains upright and secure during transit, and can be stored flat.

## Clear Poly Mailers

These mailing envelopes have a peel and seal strip, making them perfect for brochures and catalogues.

high-quality thermal lamination supplies.

# McKinleys®

Innovating to provide high performance sustainable products, whilst never compromising on quality.

## Stitching Wire

High-quality, German-engineered stitching wire available in galvanised, brass, copper or 5 plastic coated colours. Spools range from 2 to 90 kg spools. 250 kg drums are also available.

## Creasing Matrix

The most popular and cost effective choice. Durable and suitable for use in any type of machine.

## Showcard Struts

Premium white struts designed for displaying showcards, notices, and other point-of-sale materials with style. Easily attach them using our double-sided tape for a seamless and professional look.

## Scalpel Handles & Blades

Genuine Swann Morton handles and blades made in the UK. Reliable and durable. Perfect for artists, model-makers, and designers.

## Double-sided Tape

D-Tape is available as tissue tape and film tape. It creates a strong bond and our aggressive tack is developed for laminate or varnished surfaces, as well as for mailers, stationery, and POS work. Available in flush edge or fingerlift options.

## Heat Seal Banding Tape

Heat-activated banding tape for quick and tidy bundling of direct mail, banknotes, and other printed materials. Specifically designed for automated machinery like Pallemiedes and Akebono. Environmentally friendly alternative to plastic banding.

## Padding Adhesive

Delta Padding Adhesive is a single-component, non-flammable, PVA-based adhesive designed for all padding applications.

## Greyboard

This high-quality unlined greyboard is 100% recycled and is available in various sizes and thicknesses. It is suitable for use in calendars, desk jotters, pad sets, and can also be used as ram-bundling outers, layer pads, and other purposes.

## Delta Dots

Double-sided dots with non-toxic adhesive providing an instant bond.

## Delta Rubber Bands

High quality elastic bands, available in a wide range of sizes from stock.

## Delta Discs

Clear self-adhesive gloss labels. Available in either removable adhesive, or permanent adhesive with central perforation for ease of opening.

## Wipes & Rags

We offer a variety of lint-free wipes and rags that can be used in litho or digital print.
